INSURANCE REQUIREMENTS FOR SUBCONTRACTORS

[Your company]

Before you start work, send us a certificate of insurance that shows each of these.

Coverage	At least
General liability	$1,000,000 each occurrence · $2,000,000 aggregate
Auto liability	$1,000,000 combined single limit
Workers' comp	Statutory · employers' liability $500,000 each accident

Send copies of these endorsements with the certificate

- Additional insured for ongoing and completed work: CG 20 10 and CG 20 37, or a blanket form
- Waiver of subrogation: CG 24 04
- Primary and non-contributory: CG 20 01

Certificate holder
[Your company's legal name]
[Street]
[City, State ZIP]

Additional insured
[Your company]
[The project's owner, when a contract names one]

Keep these policies in force while you work for us, and send the renewed certificate before a policy expires.

Send certificates to [email].

Sample: your own contracts decide what to ask your subs for. Delete this line before you send it.
